VADO

- Robust real wood veneer vanities
- Durable mineral basins
- Practical dual-lit mirrors

Lighting that adapts to you.
Front-lit for precision, backlit
for ambience.

Real wood veneer brings a richness
and character engineered materials
can't match. The deep natural grain
catches the light and elevates every
surface; quality you can see and feel.

Available in classic oak or classic walnut across 600mm
and 800mm vanities, with coordinating basins and mirrors.

One basin, complete flexibility.
Compatible with wall mounted
and deck mounted mixers.

Discreetly pre-drilled on
the underside. The mineral
material drills easily for
flexible tap installation.

Metal overflow covers
available in all finishes.*

Flawless form. Everyday function.
Expertly crafted mineral basins with
a ripple-free finish and crisp white
elegance. Timeless, contemporary
design, built to last.

* Individual (PVD) cover caps coming summer 2026.

REAL WOOD VENEER VANITIES

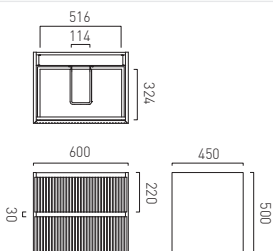

Available In

- Classic Oak
- Classic Walnut

Crafted using real wood veneer, bringing natural warmth and refined tactility into the bathroom. The slatted, elegant, textured front creates depth and shadow, while the handleless silhouette keeps the design clean and balanced.

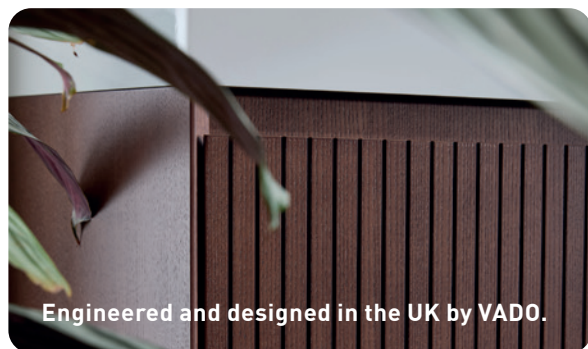

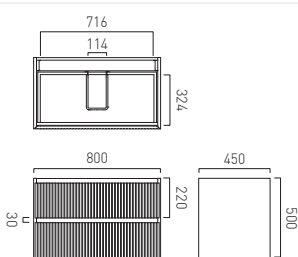

Groove Wall Hung Vanity Unit with 2 Drawers 600w x 450d x 500h (mm)

● GRV-F600WH-CO	£750
● GRV-F600WH-CW	£750

Groove Wall Hung Vanity Unit with 2 Drawers 800w x 450d x 500h (mm)

● GRV-F800WH-CO	£850
● GRV-F800WH-CW	£850

Engineered and designed in the UK by VADO.

- Available in two real wood veneer finishes, classic oak and classic walnut.
- Veneer delivers the natural beauty of wood with enhanced stability, reducing the risk of warping, cracking or movement over time.
- Fully extending, soft-close drawers provide smooth functionality and practical storage.

MINERAL BASINS

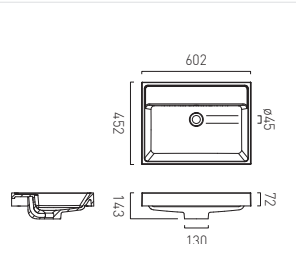

Crafted from high-quality mineral material, each basin features crisp geometry, perfect symmetry and a smooth, seamless finish. Offering the flexibility to choose wall or deck mounted taps, with a softly sculpted inner bowl and defined edges that suit both round and angular brassware.
